High school exchange in Canada

SCHOOL EXPERIENCE

Students live with a host family and attend the local public high school. We offer two different programs:

1. **A NON-CREDITED PROGRAM:** For those students wishing to come to Canada on a cultural exchange only and not requiring grades and credits, we can offer a lower program cost. Students choosing this option are placed in schools by Nacel Canada.

2. **A CREDITED PROGRAM:** For students wanting to gain credits during their program, they will have to pay the full international tuition rates, hence a higher cost. Students choosing the credit option can choose the school they wish to attend.

We also offer international students to attend a short term non credited homestay and school integration program in Winnipeg, Manitoba (from 8 up to 12 weeks).

International students become an integral part of the school community when they get involved in the school's sports, arts, and cultural teams and clubs. They get a better understanding and experience of the Canadian High Schools and make friends among

Canadian teenagers.

Nacel offers programs in both English and French Canada. In English Canada students may choose a placement in Atlantic Canada (Nova Scotia, Prince Edward Island), in Western Canada (Saskatchewan, Manitoba) or in Ontario.

English Tutorial: for students who need to improve their English level before the start of the school year, Nacel Canada offers an English tutorial of 3 weeks intensive classes.

SCHOOL SYSTEM
