## High school exchange in England, Lincolnshire (A-Level)

This 50 year old College offers a high standard of British education in a safe, friendly environment with good modern facilities, at only 2 and a half hours by train from London. Students can also enjoy the College's swimming pool for free!

### SCHOOL SYSTEM

Graduation from a British secondary school is possible after one year (International Access to University) or two years (A-Level and BTEC) of study.

- PRE A-LEVEL COURSE (Year 11) for EU students only: prepares students for the 2 year A-Level or the 1 year International Access to University.
- AS AND A-LEVELS (Year 12 and 13): AS program (first year of the A-Level, one year of study) or the A-Level itself (two years of study).

- VOCATIONAL DIPLOMAS (Year 12 and 13): wide range of vocational diplomas at Level 3: these vocational diplomas called BTEC last 2 years and are the equivalent of 3 A-Level courses.
- INTERNATIONAL ACCESS TO UNIVERSITY (Year 13): These level allows students to raise their academic standard to university entrance level. It also enables them to gain the appropriate level of English language required by universities (IELTS 6-7).
- SHORT TERM ACADEMIC AND CULTURAL PROGRAM (from 4 to 20 weeks): a short term taster program: students improve their English skills and attend regular academic classes with British and international students.

Note: due to Brexit uncertainties, the below program fees are subject to changes.
