SUMMER CAMPS

Japanese courses in Fukuoka with activities Residence

DESCRIPTION

Participants will have the opportunity to enroll in a Language course with Activities in the city of Fukuoka.

During their stay in Japan, students will receive language courses at our school in Fukuoka. This school has all the modern facilities and group of qualified professionals in the education field. Every year, students from all across the world join this program, as it offers effective structured Japanese Lessons, as well as cultural activities with a glimpse into the day to day Japanese life style. Our Language Courses in Japan run during the summer time.

Activities are always planned in the afternoons.

LOCATION

Fukuoka. This is a city of 1.5 million people located in Southern Japan. Fukuoka is regularly chosen as one of the best cities in Asia, with beautiful beaches just minutes from school! Fukuoka is famous for the friendliness of its residents and a very popular tourist destination for Japanese people. Prices are a lot cheaper than other cities like Tokyo.

JAPANESE COURSES

As a student of our language course,

you will have 2 main options to select from (25 lessons a week):

Japanese Plus Pop Culture

This course gives students the chance to experience the best of modern Japanese culture, whether it's creating their own manga, trying their hand at cosplay, or visiting a maid cafe! Schedule: 10 hours grammar class + 10 hours 4-skills class + 6 hours pop culture class per week.

Japanese Traditional Culture

Japan's gift to the world, is the beauty and mysticism of its culture. The language courses will reinforce your skills from scratch, but will also open a window to a world of ancient history that has marked the world. Students will be able to learn the story behind the tea ceremony, calligraphy, ceramics and flower arrangement at the school. And learn all about Japanese customs, history, and art.

Schedule: 10 hours grammar class + 10 hours 4-skills class + 6 hours cultural class per week

Location : Fukuoka

Boarding : Half board

Accommodation : Residence

Length : 2 weeks / 4 weeks

Type : Japanese courses and activities - residence

For teenagers looking for a structured program of classes and activities.

Multinational: students come from different countries and speak a variety of mother tongues.

Touristic: students are fully chaperoned to safely discover the main sightseeing of the area.

Application deadline : Apply at least 3 months before arrival

Requirements : Complete beginners in Japanese are accepted in this program. No prior knowledge of Japanese is required but please note that the student will be hosted by a Japanese speaking host family so that he/she should at least have some "survival Japanese" knowledge. The only requirement is that students must be able to read the hiragana alphabet before arriving at school.
