— HOMESTAY PROGRAMS

Homestay and High School in Canada

HOMESTAY EXPERIENCE

Within this program, students are completely immersed in the language and do not have opportunities to speak their own mother tongue: this allows a quick improvement of the language skills. Students get the unique opportunity to discover a new way of life and a new culture first hand, not like a tourist!

This program is ideally suited to mature and independent students, eager to meet new people from abroad and with enough language proficiency to communicate with host family members. Students are not able to choose a specific location as the primary goal is to match a student with a host family in terms of interests, hobbies etc. The pure homestay program is a true cultural exchange.

In Canada, students live with a host family and attend the local public high school. International students become an integral part of the school community when they get involved in the school's sports, arts, and cultural teams and clubs. They get a better understanding and experience of the Canadian High Schools and make friends among Canadian teenagers. Extracurricular activities usually on

offer: musical bands and choirs, theatre, Debating Clubs, Environmental Clubs, Art Clubs, Chess Clubs, Grad/Prom committees, Math Clubs, School Newspaper, Student Council, Yearbook.

We place students for short term homestay and high school integration program in Winnipeg, Manitoba.

SCHOOL SYSTEM

International students go to school with their host siblings or children of the neighborhood. They attend regular classes with their classmates and participate in all school activities. This is a cultural program, not an academic program. Students should not expect to receive any grade transcript.

Education in Canada is generally divided into Elementary (Primary School or Public School), followed by Secondary (High School) and Postsecondary (University or College). The curriculum consists of an academic program with English or French, history, mathematics etc. and an optional part that can be varied depending on the school.
